

A Better Choice ~ A Better Solution

# Speech and Language Clinic Open

ABC Therapy Solutions, LLP is a Speech-Language Pathology Clinic and Learning Center for children and adults. Our Speech-Language Pathologists will design an individualized plan of care, tailored to each patient's speech therapy needs.

Our scope of practice includes assessment, diagnoses, treatment, and remediation of delays and disorders related to:

- Apraxia of Speech
- Articulation/Phonological Disorders
- Augmentative Communication
- Aural Rehabilitation
- Autism/Asperger's/PDD-NOS
- Auditory Processing Disorder
- Cognitive-Communication Disorders
- Developmental Disabilities
- Receptive/Expressive Language Disorders
- Learning Disabilities
- Orofacial Myofunctional Disorders
- Stuttering
- Voice Disorders
